General Instructions

If you file an MI-1040CR-7 and are not receiving an energy draft, complete this form to have your check directly deposited into your bank account.

First check with your financial institution to (1) make sure it will accept direct deposit, (2) obtain the correct RTN and account number, and (3) if

applicable, verify that your financial institution will allow a joint refund to be deposited into an individual account.

You may also use Direct Deposit if you file an MI-1040, MI-1040CR or MI-1040CR-2. The request for Direct Deposit information is contained on these forms. A separate Direct Deposit of Refund, Form 3174, is not required.

You should NOT file this form if:

- You file an MI-1040CR-7 and an energy draft will be issued.

- You are a **personal representative** filing a return on behalf of a deceased taxpayer.
- You completed the Direct Deposit information on the MI-1040, MI-1040CR or MI-1040CR-2.

What If There Is a Problem With My Direct Deposit Request?

If we are unable to honor your request for direct deposit, we will send you a check. Your request for direct deposit may be affected by any of the following:

- You or your spouse owe a debt to the State of Michigan or to a third party which the state is obligated to pay before it can refund money to you. This includes child support, garnishments and levies.
- You close your bank account after submitting your tax return and direct deposit request.
- The financial institution rejects the direct deposit because you entered an incorrect routing number or account number, or you did not check the correct box for line 8.
- You requested that your refund be deposited into a foreign bank or a foreign branch of a U.S. bank. The State of Michigan can only make direct deposits to accounts in U.S. financial institutions located in the United States.
